JACOPO 1

Jacopo 1

Environmental Credentials

Recycled Content

60%

Recyclable Content

100%

Recycled content includes pre and post consumer content. Manufactured using 87% renewable resources. Cardboard packaging used to package steel components are 80% recycled and 100% widely recyclable.

Jacopo 1 is a bold and characterful tabling system for modern, vibrant working environments.

Some key features include:

• 'A' shape end leg design
• Robust powder coated steel under-frame
• 36mm MFC tops as standard
• Horizontal and vertical cable management options
• Optional Ply effect edging
